MILITARY DEPARTMENT.

No. 855.

Extract from the Minutes of Consultation, 3rd March 1859.

Read letter from the Quarter Master General of the Army, Fort Saint George, 19th February 1859, No. 69; to the Secretary to Government, Military Department.

The Commander-in-Chief has directed the Officer Commanding the Mysore division, to effect the repairs of 32 married quarters for the Fusiliers at Bangalore, at an expense not exceeding 10 rupees a house, but taking into consideration that under the present system, quarters for families are provided entirely by Government, His Excellency is of opinion, that quarters should be provided for 12 per cent on the numerical strength of the Regiment, but under existing circumstances, these should be erected of inexpensive material.

The arrangements reported in the foregoing letter are approved.

2. Before passing orders on the proposed provision of quarters for 12 per cent of numerical strength, the Governor in Council wishes to be informed, of the probable expense of the measure, and whether it may not be possible to accommodate the families by any other means, pending receipt of final orders on the question of the new barracks at Bangalore.
