I have the honor to forward for the information and orders of Government, the accompanying Plan and Estimate, amounting to Rupees (520) five hundred and twenty, for altering and adding to the General Hospital compound a portion of the Civil Hospital, for the accommodation of the Medical Subordinates and for the use of the Commissariat Stores.

The Acting Superintending Surgeon Mr. Kellie, in his letters Nos. 165 and 177, dated 21st August and 2nd September 1857, respectively, to the address of the Director General Medical Department, very forcibly brought to notice, the great inconvenience experienced by the Medical Subordinates attached to H. M.'s 44th Regiment, from having no accommodation to sleep in, to take their meals in, or to study in : and moreover the Surgeon observed " that this state of matters was creating amongst them much dissatisfaction."

3. The same Officer, in the second letter just referred to, also reported, that public property was often injured from want of sufficient space, and a suitable building for its storage; and he strongly recommended the adoption of some measures for protecting the valuable property of the Government.

4. Under these circumstances, and considering that the additions, alterations and improvements are urgently required, I recommend the Estimate to be sanctioned for immediate execution.
