Fort Saint George, Public Works Consultation of 22nd March 1859.

No. 94. Read the following Extract from the Minutes of Consultation in the Marine Department, dated 8th March 1859, No. 81.

Communicating Despatch from the Home Government,
stating that directions for the construction of an Iron
Paddle Wheel Tug for service at Paumben have been } (Vide Marine Consultation, 8th March 1859,
given and it will be sent in pieces to Bombay, &c. } No. 24.)

No. 95. ORDER THEREON, No. 653; dated 19th March 1859.

Ordered to be communicated to the Chief Engineer.

(Signed) W. C. SIM,
Ag. Dy. Secretary to Government.

MARINE DEPARTMENT.

No. 81.

Extract from a Despatch from the Right Honorable the Secretary of State for India, dated 19th January 1859, No. 5.

Extract from the Minutes of Consultation under date the 8th March 1859.

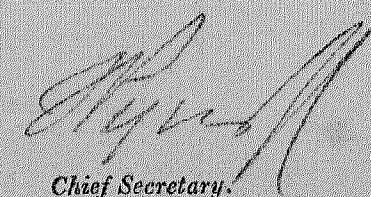

Marine Letter, No. 18, dated 1st June 1858.

Forwards copies of letters received from the Government of Bombay stating the inability of the Commander-in-Chief I. N. to provide in the Bombay Dockyard the small Tug Steamer required for service at Paumben.

13. It appearing from these papers that with the means at present available in the Naval Establishment at Bombay, it is not possible to provide a small Steamer for the Service required at Paumben, I have given directions for the construction of an Iron Paddle Wheel Tug of suitable dimensions and power. The Boilers for this Vessel will be arranged for the consumption of wood as fuel. It is proposed to send the Tug, &c., in pieces to Bombay, and to furnish the Government there with the necessary drawings, so as to enable the Engineers in the Dockyards to put the Hull and Engines together.

(True Extracts.)

7. Copy of this para: will be furnished to the Superintendent of Marine, and to the Department Public Works.

Chief Secretary.
