REVENUE DEPARTMENT.

No. 338.

Extract from the Minutes of Consultation under date the 16th March 1859.

Read the following Extract from the Proceedings of the Board of Revenue, dated 3d March 1859, No. 784.

Read the following letter from C. PELLY, Esq., Collector of Bellary; dated Ramandroog, 7th February 1859, No. 10.

In reply to the orders of the Board of Revenue, No. 360 of 31st Ultimo, endorsed on Minutes Consultation No. 111 of 28th Idem, I have the honor to inform the Board that the distance of the Bungalows in either side of Goontacul is 12 miles to Guddakal, and about 9 miles to Pauthacottacheravoo, the road is desperately bad between these places, and quite impracticable during the rains; the traffic on this line in the dry weather is one of the heaviest, if not the heaviest, in this District. Bandies however only carry 40 Maunds for a load, whereas on a trunk road like the road to Bangalore, they carry from 56 to 60 Maunds. I do not think a Bungalow is required at Goontacul at present, a good shed which could be built for Rupees 250-0-0 would answer all the purposes, and which I beg may be sanctioned.

Resolved that the foregoing communication be submitted for the information and orders of Government, with reference to Extract Minutes Consultation in the Revenue Department, No. 111, dated 28th January 1859.

2. The Board of Revenue support the recommendation of the Collector of Bellary, that sanction be granted for the erection of a substantial shed in lieu of the ruined Bungalow recently pulled down at Goontakul.

3. They further resolve to draw the attention of Government to the state of the road as depicted by the Collector. It bears, he says, the heaviest traffic in the District during the fine weather; but is always desperately bad, and "quite impracticable during the rains."
