No. 102. Read the following letter from Colonel C. E. FABER, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 10th March 1859, No. 8490.

SIR,

I have the honor to submit herewith copy of a letter from the District Engineer, Kistnah Division, dated the 21st Ultimo, No. 130, and to solicit that the sanction of Government may be given to the following rules.

1. That Government Promissory Notes or Cash obtained from members of the P. W. D., not in the Military service or under Covenant to Government, under the rules referred to in Extract Minutes of Consultation, 3rd November 1858, No. 2309, be deposited in the General Treasury at Fort Saint George, and that the Promissory Notes be duly endorsed to the Sub Treasurer, and he be empowered on application to grant Drafts on the Provincial Treasuries in payment of interest on such Notes.

2. That the Chief Engineer be authorized at his discretion, to permit the Security to be paid up by instalments from salary, so that the whole be lodged within twelve months.

The above recommendations are made in accordance with the rules on the Bengal Code contained in Sections 2 and 3 of Chapter XVII.

Letter from Captain O. CHAMBERS, District Engineer in charge Kistnah Division; to Colonel C. E. FABER, Chief Engineer, dated Bezoarah, 21st February 1859, No. 130.

SIR,

With respect to your Circular of the 10th December, No. 175, and your further Official Memorandum of the 16th Instant, No. 7935, I have the honor of stating for your information that 10 Bonds of Indemnity, and 15 Memoranda of Agreement will suffice for the Subordinates in my Division.

2. The delay in forwarding this information has arisen from the difficulty of getting, in several cases, any specific reply, from Sub-Overseers entrusted with Cash payments, with respect to the nature of the security which they purposed furnishing to meet the orders of Government, even now, I do not see my way clearly to obtain tangible Security from all my Non-Military and Uncovenanted Subordinates unless I am permitted, with the consent of the individuals themselves, to make monthly deductions from their Salaries until such time as the requisite amount of Security is realized.

3. I also do myself the honor of requesting your instructions with regard to the disposal of the Notes, Cash or Security Bonds received by me, are these to be placed in my Cash Chest or remitted to you? and how is the interest on the Notes to be drawn and disbursed to their owners?

No. 103. ORDER THEREON, No. 658; dated 21st March 1859.

Ordered to be referred to the Board of Revenue and the Accountant General, for report.

(Signed) W. C. SIM,
Actg. Dy. Secretary to Government.
