Fort Saint George, Public Works Consultation of 5th April 1859.

No. 1. Read the following:

The Officiating Civil Auditor has the honor to report that Sub-Engineer J. Oakes, is already on leave under Sections IV. and V. ; and having no Rules by which to be guided, the Acting Civil Auditor is unable to express an opinion upon the eligibility or otherwise of Mr. Oakes to leave under Section IX. of the Uncovenanted Rules, in continuation of sick leave.

Mr. Oakes has been in the country only 5 years, and as the Rules do not specify the term of residence or continuance in service, before an Uncovenanted Officer is eligible to a Furlough; the Officiating Civil Auditor submits the case for the consideration and orders of Government, requesting at the same time that their decision may be communicated to him, in order that it may serve as a precedent to guide him in reporting on future cases.
