Fort Saint George, Public Works Consultation of 12th April 1859.

No. 23. Extract from the Minutes of Consultation under date the 8th April 1859, No. 825.

Resolved that the Chief Engineer be requested to submit for the inspection of Government the Annual and other Indents made on the Home Government since the organization of the Public Works Department, for supplies of Stores and Machinery required for the use of that Department.

2. Colonel Faber will explain what course is followed in the preparation of these Indents, and through what Department they are submitted for the sanction of Government preparatory to their being included in the General Indents of the Inspector General of Ordnance and Magazines; and also what course is followed in respect to bringing the Stores into the Public Accounts, and to recovering and crediting their value.

3. Colonel Faber will also furnish a concise Statement shewing what Stores have been received out of those contained in the Indents.
