Fort Saint George, Public Works Consultation of 29th April 1859.

No. 34. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 14th April 1859, No. 9539.

SIR,

With reference to Extract from the Minutes of Consultation No. 143, dated 21st January 1857, I do myself the honor to submit, for the information of Government, copies of the correspondence noted in the margin, from the Collectors of Trichinopoly* and Tinnevely,§ reporting on the condition of the Burial Grounds in those Districts.

Letter from J. BIRD, Esq., Collector of Trichinopoly; to Colonel C. E. FABER, Chief Engineer, dated Trichinopoly, 29th March 1859, No. 78.

SIR,

With reference to Circular Proceedings of the Board of Revenue under date the 22d Instant No. 974, and to the Minutes of Consultation which accompanied it of the 21st January 1857, I do myself the honor to report that the Burial Ground of Saint John's Church at this Station is clean and in good order.

Letter from V. H. LEVINGE, Esq., Acting Collector; to Colonel C. E. FABER, Chief Engineer, dated Tinnevely, 31st March 1859, No. 77.

SIR,

With reference to the 4th para. of the Extract from the Minutes Consultation dated the 21st January 1857, I have the honor to inform you that I inspected the two Burial Grounds in the Palamcottah Fort. They and all the Tombs are in good order, with the exception of 8 Tombs in the old Church compound and 2 in the new, which merely require a little plastering. There is nothing particularly interesting about any of the monuments, as far as I can make out, they date from 1738.

Ordered to be communicated to the Ecclesiastical Department with reference to Extract Minutes Consultation in that Department dated 9th January 1857 No. 11.
