Fort Saint George, Public Works Consultation of 29th April 1859.

No. 46. Read the following lettter from Colonel C. E. FABER, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 4th April 1859, No. 9300.

SIR,

I have the honor to submit, for the sanction of Government, the accompanying Estimate amounting to Rupees 3,750, for the construction of two Tunnels and repairing portions of Trunk Road No. 5, between Vaniembady and Muttoor, very much damaged during the heavy floods of October last.

1 Copy of a letter from the District Engineer of Salem, No. 954, dated 11th March 1859.
1 Abstract Estimate.

2. For a considerable time during the last monsoon, this line of Road was almost impassable indeed, near the 5th mile stone, after three weeks dry weather, the Road was still under water.

3. The Estimate has been examined, and the rates are as usual for that locality. I have the honor therefore to solicit the sanction of Government at an early date, for the amount. viz., Rupees (3,750,) three thousand, seven hundred and fifty, to enable the District Engineer of Salem to make the necessary repairs before the next monsoon.

Letter from Captain T. E. GAHAGAN, District Engineer of Salem; to Colonel C. E. FABER, Chief Engineer, dated Camp Namcall, 11th March 1859, No. 958.

SIR,

Agreeably to the Superintending Engineer's letter No. 5675 of the 23rd November last, I have the honor to forward an Estimate amounting to Rupees 3,114, for reparing and properly completing Trunk Road No. 5, between Vaniembady and Tripatore, and one amounting to Rupees 636 for some work urgently required for the same line between Tripatore and Muttoor.

2. As during the last monsoon the Road was almost impassable for some weeks* in the parts mentioned in the accompanying Estimates, I have the honor to request permission to proceed with the work on emergency, in order that it may be completed before the monsoon of October next sets in.

* In December last when I inspected the line after 3 weeks of dry weather, the 5th mile stone was still under water.

No. 47. ORDER THEREON, No. 952; dated 21st April 1859.

The Estimate submitted with the above letter is sanctioned. The Government are surprised that it was not sent up at a much earlier date.

(Signed) J. D. BOURDILLON,
Secretary to Government.

To Colonel Sanford

The Chief Engineer

in the D. P. W.

Fort Saint George

Sir,

Agreeably to the Superintendent
ing Engineer's letter N^o 5675, of the
23rd November last, I have the honor
to forward an Estimate amounting
to Rupees 3072 for repairing and
properly completing Trunk Road
N^o 2 between Varicumbady and Tri-
patare and one amounting to Rupees
636 for some work urgently required
for the same line between Tripatare
and Muttur.

As during the last monsoon
the Road was almost impassable
for

Chief Engineer D. P. W.

for some weeks in the past mentioned in the accompanying Estimates I have the honor to request permission to proceed with the work on George's Bay in order that it may be completed before the monsoon of October next sets in.

In December last when I inspected the line after 3 weeks of dry weather the 5th mile stone was still underwater

I have &c.

From
The Chief Engineer
To
The Secretary to Government P.W.
Sir,

I have the honor to submit,
for the sanction of Government, the ac-
companying Estimate amounting to
Rs 3750, for the construction of two
Dunnals, and repairing portions of Trunk

Road N^o 5 between Cannimbar and
Mutton very much damaged during
the heavy floods of October last.

For a considerable time during
the last monsoon the line of road
was almost impassable indeed near
the 5th Mile stone, after three weeks
dry weather, the Road was still
under water.

The Estimate has been examined
and the rates are as usual for that
locality. I have the honor therefore
to
