Fort Saint George, Public Works Consultation of 29th April 1859.

No. 56. Read the following letter from Colonel C. E. FABER, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 30th March 1859, No. 9151.

SIR,

With reference to para. 2 of Extract Minutes of Consultation dated 12th March 1859, No. 555, calling upon me to state under what rule the Works described in the margin was sanctioned by me, I have the honor to submit that the work in question was not sanctioned by me, but was authorized to be executed in Extract Minutes of Consultation, 22nd March 1858, No. 514. This authority should have been quoted at the head of the Bill for the work, before it was forwarded to Government.

2. The Bill returned with the order under acknowledgment, is herewith re-submitted with a request that it may receive the sanction of Government, under the explanation now submitted.

No. 57. ORDER THEREON, No. 957; dated 21st April 1859.

The Bill amounting to Rupees (605-12-7) six hundred and five, annas twelve and pice seven for setting up the Meridional Instrument at the Observatory is sanctioned.

(Signed) J. D. BOURDILLON,
Secretary to Government.
