Fort Saint George, Public Works Consultation of 29th April 1859.

No. 126. Read the following letter from Colonel C. E. FABER, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 4th April 1859, No. 9287.

SIR,

I have the honor to forward for the favorable consideration of Government, the accompanying letter from the District Engineer of Cuddapah, giving cover to a Bill amounting to Rupees 510-12-7, for the Cash Chests made by him for his District, being Rupees 169-12-7 in excess of the amount sanctioned by Government in Extract Minutes of Consultation No. 770, dated the 24th April last.

The circumstances which caused this excess over the sum sanctioned is briefly explained in the accompanying Extract* of a letter from Captain Shaw Stewart, and as the explanation therein made is satisfactory, I do myself the honor to solicit the sanction of His Honor in Council to the disbursement of the full amount Rupees 510-12-7, expended by the District Engineer, being Rupees 169-12-7 in excess of the amount Rupees (341-0-0) authorized by Government in the Extract Minutes of Consultation above referred to.

Extract of a letter from the District Engineer, Cuddapah, dated 2nd February 1859, No. 1303.

"3 The second retrenchment, amounting to Rupees 169-12-7 has been made from the Bill for the construction of Cash Chests in this District. The number of Cash Chests sanctioned by Government in their Extract Minutes Consultation of the 24th April last, No. 770, was 11, at a cost of Rupees 31 each. This order I did not receive until the 14th May. I had previously in my letter of the 29th March, No. 1354, brought to your notice the urgent want of Cash Chest, in this District's and in your Extract Proceedings of the 7th April, No. 8774, you instructed me to provide at once the necessary number. Immediately upon receipt of these instructions, I ordered 9 Chests, somewhat smaller and cheaper than the standard size, to be made on Contract, at a cost including carriage of Rupees 200-7-8. Upon receiving the subsequent order of Government, above alluded to, I was not able to correct this order. Hence has arisen the excess of the expenditure over the sanctioned sum, amounting to Rupees 169-12-7 which has been now retrenched. Under these circumstances, I request that the full amount of the Bill submitted by me, Rupees 358-7-7 may be passed."

(True Extract.)

(Signed) C. E. FABER, Colonel,
Chief Engineer.

No. 127. ORDER THEREON, No. 992; dated 29th April 1859.

Under the explanation furnished by the District Engineer of Cuddapah in his letter dated 2nd February last No. 1303 of which an extract accompanied the above communication, the Honorable the Governor in Council sanctions the Bill submitted by that Officer for Cash Chests supplied for the use of his District, amounting to Rupees (510-12-7) five hundred and ten, annas twelve and pice seven which exceeds the amount sanctioned in Extract Minutes Consultation 24th April 1858 No. 770 by Rupees 169-12-7.

(Signed) J. D. BOURDILLON,
Secretary to Government.

Memo.

D. No 820.

Eleven bask chests, at a cost of 31 Rs each or 341 Rs for the whole, were recommended for Buddapah District, in the statement of the number of chests required for the several Districts which accompanied the Engr's letter of 3rd March 1858 N. 7755; and they were included in the sanction given to the entire number ^{of the stores} in G. O. No. 21, 11th April following N. 770. The bill submitted with the above letter amounts to Rs 510-12-7 or Rs 169-12-7 in excess of the sum sanctioned.

The explanation furnished by the District Engineer for this excess is that previously to the receipt of the order of 21st April fixing the number of chests and cost of each, he arranged, under the authority granted by the Chief Engineer in his O. No. of 7th Idur, for the supply of nine chests of different value at a cost of Rs 200-7-8.

146

Suppl. Memo

The order of the Chief Engr. quoted by the District Engr. of Cuddalore was issued on the 7th April 1858 in consequence of a representation made by the latter of urgent want of Cash Chests in his district. It authorized him to make up as many chests as he required or ~~not~~ twenty four as stated in his letter of 21st Feby 1858. This permission was referred to Govt. in Col. Lawfords letter of 7th April 58 in which he brought to their notice the temporary employment of a peon for each Sub Overseer in charge of Cash Chests in Cuddalore. In G. O. No. 141 May 1858 No. 821 Govt. approved of the employment of the peon and said nothing requiring the order.

for 24 Cash Chests. The order of
24th April 1858 No 770 fixing the
number and cost of the chests was
sent from the Central office to
Cuddalore on the 15th May and
the Dist. Bng^r. states that he did
not receive it until the 11th of that
month. Immediately after the
receipt of the Ch Bng^r. order of 7th
April 1858 the agreement for con-
structing the nine chests appears
to have been made.

Extract of a letter from the Dist Engr:
Cassopolis dated 2^d February 1859 Vol 1303-

3. The second retrenchment, namely, Rs 169-12-7 has been made from the Bill for the construction of ash streets in this District. The number of ash streets sanctioned by Government in their Extract Minutes for the 24th April last, No 770, was 11, at a cost of Rs 35 each. This order I did not receive until the 11th May. I had previously in my letter of the 29th March No 1354, brought to your notice the urgent want of ash streets in this District, and in your Extract Proceedings of the 7th April, No 8774, you instructed me to provide at once the necessary number. Immediately upon receipt of these instructions, I ordered 9 streets, some of a smaller and cheaper than the standard size, to be made on contract, at a cost including carriage of Rs 200-7-8. Upon receiving the subsequent order of Government, above alluded to, I was not able to cancel this order. Hence has arisen the excess of the expenditure over the sanctioned sum amounting to Rs 169-12-7 which has

"been now amended. Under these cir-
cumstances, I request that the full
amount of the Bill submitted by
me Rs 258-7-7 may be passed."
