Proceedings of the Madras Government, Public Works Department, from 17th to 23rd September 1859.

No. 50. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 15th September 1859, No. 5053.

With reference to the Proceedings of Government, under dates 30th July and 16th August Nos. 1827 and 1967. respectively, I have the honor to report for the information of Government, that having been unsuccessful in procuring the services of an officer duly qualified for the examination of the Bibbree and Wynegungah rivers and the countries adjacent to them, I applied to Lieutenant Vertue of the Engineers to know whether he would be willing to cancel the leave granted to him in the Fort Saint George Gazette of 9th instant, and proceed at once on the above duty, and in his reply, received by telegraph yesterday, he states that he would be happy to do so. I request, therefore, that Government will be good enough to authorize his being appointed to the above duty, and that his privilege leave be considered cancelled from the date of his receiving intelligence of his appointment.

No. 51. ORDER THEREON, 20th September 1859, No. 2263A.

Lieutenant Vertue having been this day appointed to act as District Engineer of the Kistnah division, Colonel Bell is requested to recommend another officer for the duty referred to in this letter.
