Proceedings of the Madras Government, Public Works Department, from 1st to 10th June 1859.

No. 162. Proceedings of the Madras Government, dated 9th June 1859, No. 1408.

The Honorable the Governor in Council proceeds to pass orders on the letter in this Department from the Home Government dated 2nd May 1859, No. 6.

Para. 1. Ordered that the above despatch and the packing account received with it be forwarded to the Chief Engineer with reference to the correspondence* noted in the margin. As the nut shaping Machine referred to in this despatch is intended for the Bezwadah workshop, the Chief Engineer will consider, whether instead of landing the package at Madras, it would not be advisable to send it off at once to Masulipatam to be thence conveyed to its destination. In that case he will place himself in communication with the Superintendent of Marine in view to the necessary arrangements being made.

* From Chief Engineer 18th March 1858 No. 8224.
From do 2nd June do do 759.

2. The Chief Engineer's attention is called to the Regulations relating to the receipt and examination of Stores prefixed to the "packing account," and he will be careful to see that the packing account is returned in due course with the columns properly filled up.
