Public Works DEPARTMENT.

Ear 1076/57

G.O. No. 1010 Press Mis.

165-66

Dated 16-6- 1857.

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department, from 1st to 10th June 1859.

No. 165. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 2nd June 1859, No. 1210.

With reference to the correspondence noted in the margin, I have the honor to report that the Quarter Master General having been requested to furnish information as to the modifications introduced in the standard of the buildings for Horse Batteries which received the approval of Government in Extract Minutes of Consultation, No. 3449 of the 15th October 1857, Military Department, has forwarded to this office the accompanying standard plan which has received the approval of his Excellency the Commander-in-Chief.

To Government 8th November 1858, No. 5206.
From do. 26th do. ,, 2531.
Do do. 14th January 1859, ,, 136.

2. I request that the Government will be pleased to authorize the plan in question being lithographed and circulated to the Officers of the Department for adoption at such stations in which the buildings may be required. The cost of the buildings can then be estimated by the local Officers.

No. 166. ORDER THEREON, 10th June 1859, No. 1410.

Referred to the Military Department.

(Signed) W. C. SIM,
Ag. Dy. Secretary to Government.
