Proceedings of the Madras Government, Public Works Department, from 1st to 10th June 1859.

No. 195. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 19th May 1859, No. 642.

With reference to the Proceedings of the Madras Government under date the 13th May 1859 No. 1146, calling my attention to Extract Minutes Consultation No. 302 of the 3rd February 1859, directing the submission of Plans and Estimates for certain improvements and additions to the Barracks in Fort Saint George, I have the honor to inform you, that on the 6th instant the Garrison Engineer reported that, in consequence of personal intimation from the Honorable the Governor that a third story would not be required if the openings, he at the same time received instructions to make at the north and south ends of the building to admit of a free circulation of air, were formed, the preparation of the Plans ane Estimates in question was set aside and others according to His Excellency's instruction put in hand.

No. 196. ORDER THEREON, 10th June 1859, No. 1424.

Ordered that the foregoing letter be recorded.

(Signed) J. D. BOURDILLON,
Secretary to Government.

From The Chief Engineer

To, The Secretary to Government F. W. D.

Sir,

With reference to the Proceedings of the Madras Government under date the 13th May 1859 №1116 calling my attention to Exc: Mins: Cons: №302 of the 3d February 1859 directing the Submission of plans and Estimates for certain improvements and additions to the Barracks in Fort Saint George, I have the honor to inform you, that on the 6th instant the Garrison Engineer reported that, in consequence of personal intimation from the Honble the Governor that a third story would not be required if the openings, he at the same time received instructions to make at the North and South ends of the building to admit of a free circulation of air were formed, the preparation of the Plans and Estimates in question was set aside for others according to His Excellency's instruction put in hand.

This is not to be a new improvement. The Cells & Kitchens will also be removed from the side of the Barracks, and a Veranda will be attached to Eastern face.

The report of the last Committee of Medical Officers upon the Fort Barracks has never been circulated to this Office

Central Office of C. W.

I have the honor to be,
Sir,
