PROCEEDINGS OF THE MADRAS GOVERNMENT.

Proceedings of Govt. Public Works Dept. under date the 30th Oct. 1857, No. 2039. From the Qr. M. Genl. of the Army dated 9th November 1857, No. 499. Recorded in Proceedings of Govt. Mily. Dept. 3rd Nov. 1857, No. 3874. Recorded in Proceedings of Govt. Mily. Dept. 17th Nov. 1857, No. 4060. Read again the papers noted in the margin.

Read the following letter :-
From the Quarter Master General of the Army, Fort Saint George, 17th May 1859, No. 212;
to the Secretary to Government, Military Department.

In 1857 Plans and Estimates were called for, for the erection of an upper story as married Quarters, on the North Artillery Barracks, (now occupied by Captain Desborough's Company at the Mount. It now appears that early this year, in consequence of a communication from the District Engineer, the Chief Engineer decided, that as it did not appear, that the increased accommodation for married Soldiers at the Mount is now required, although it may have been so in 1857—on returning the Plans and Estimates on this measure, the Commander-in-Chief desires me to say, that additional married Quarters at the Mount are required under any circumstances, His Excellency recommends therefore, that the original intention be proceeded with.

If Captain Desborough's Company goes to Tonghoo, the families of the two Companies of Madras Artillery, which will re-place it at the Mount will require Quarters, and if Captain Desborough's Company is not relieved, the families belonging to it will join from England in the cold season.

ORDER, NO. 1903, 30th May 1859.

The Governor in Council approves of the work being proceeded with, under sanction of Proceedings of Government in the Public Works Department, No. 2197 28th November 1857.
