Proceedings of the Madras Government, Public Works Department, from 11th to 17th June 1859.

No. 60. Read the following Proceedings of the Madras Government in the Public Department, dated 6th June 1859, No. 875.

Calling for a Plan and Estimate of a building which would answer the joint purpose of a General Dispensary and Civil Hospital at Ootacamund. } (Vide Public Proceedings from 1st to 10th June 1859, Nos. 31-32.)

No. 61. ORDER THEREON, 15th June 1859, No. 1470.

Forwarded to the Chief Engineer for the issue of the necessary orders with reference to para. 6.

(Signed) W. C. SIM,
Acting Dy. Secretary to Government.

PROCEEDINGS of the MADRAS GOVERNMENT.

owing letter from J. McKENNA, Esq., M. D., Superintending Surgeon, Presi-
y, in charge of Office of Director General, Medical Department; to the Chief
tary to Government, Fort Saint George, dated 14th May 1859, No. 87.

e honor to bring to the notice of Government that, the building at Ootacamund
eral Dispensary is reported to be in a dangerous state, and likely to fall down.

District Engineer has examined the building, but he does not give a decided opi-
probability of its falling down: he does not consider it safe.

pears from the report of Assistant Surgeon Mackay, that the building is altogether
public Dispensary or Hospital. The site is low, damp, and confined, the building
constructed and devoid of ventilation.

er these circumstances, and considering the yearly increasing population of the Sta-
Natives and Europeans, I beg to recommend to Government the construction of a
with suitable accommodation, on a well selected site.

pears from the correspondence on the subject, that the present building used as a
an be sold for its full value.

the present building will be uninhabitable during the rains, the Medical Officer
a house belonging to Messrs. Framjee and Co., well accommodated for the purpose,
d as a temporary arrangement.

rs. Framjee and Co., agree to let the premises in question for 90 Rupees per men-
ould include quarters for the Assistant Apothecary. The terms are considered
the Medical Officer, and I recommend the house to be secured temporarily until
al can be sanctioned.

original papers on this subject are not forwarded, but should Government require
be sent.

ORDER THEREON, 6th June 1859, No. 875.

correspondence now submitted, it appears that the building, occupied as a General
Ootacamund, is from the dilapidated state of the walls considered unsafe.

proposed therefore to rent a building, now available at the station and in every
for a Dispensary, which its owners, Messrs. Framjee and Co., are prepared to let
a month, if taken for one year or more.

Government authorize this building being at once engaged on the terms proposed
f one year.

Mackay seems to think that the Government Dispensary would, if sold, realize its
he Collector of Coimbatore will accordingly take steps for its disposal.

rther, appears that the separate building at Ootacamund, used as a Civil Hospital,
ited for the purpose—it being, independently of its objectionable site, stated to be
constructed and totally devoid of ventilation."

ved therefore that the District Engineer be called upon, through the Department
to prepare, in communication with the Collector and Medical Officer in charge, a
mate of a building which would answer the joint purpose of a General Dispensary
pital.

7. The Officer in charge of the Office of Director General, Medical Department, will state whether any and what saving could be effected in the establishments of the two Institutions in the event of their both being accommodated in the same building.

(True Extract.)

Chief Secretary.

To the Officer in charge of the Office of Director General, Medical Department,
with 6 original enclosures.
" Department Public Works.
" Collector of Coimbatore.
" Accountant General.
" Civil Auditor.
