MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the Quarter Master General of the Army, 23rd May 1859, No. 222; to the Secretary to Government, Military Department.

I have the honor by desire of the Commander-in-Chief to request you will submit the following representation from the Officer Commanding Her Majesty's 43rd Light Infantry for the consideration of Government.

2. When the whole of the 43rd Regiment were stationed at Bangalore, it became necessary in consequence of the limited accommodation to build Quarters for the married Soldiers; at this time, the alterations in the Cavalry Barracks were being effected, and much of the old material which was useless in their reconstruction, was made available for the married Huts in question; but in addition to this, an advance of Rupees 600 was authorised from the Regimental Canteen fund, besides other expenses for doors, windows, flooring &c. which were defrayed entirely by the men themselves.

3. The first Regiment with families that has occupied these Barracks since the departure of the 43rd from Bangalore, is the 1st Madras Fusiliers, who now occupy these houses, and from whom the 43rd therefore claim the sum of Rupees 600, taking the other expenditure as a set off for the rent of the houses during their occupancy.

4. Under the present regulations, Quarters for married men are provided by Government, the Huts have since been repaired and added to at Government expense, and have become to all intents Government property, His Excellency would therefore recommend the Rupees 600 claimed by the 43rd Light Infantry, may be paid to the Regiment by Government.

ORDER, No. 1980, 6th June 1859.

The Governor in Council concurs with the Commander-in-Chief, and sanctions the payment of Rupees (600) six hundred, on account of the married men's Quarters of Her Majesty's 43rd Light Infantry at Bangalore, now in occupation by the 1st Madras Fusiliers, on the understanding that the houses become the property of Government.
