Proceedings of the Madras Government, Public Works Department, from 11th to 17th June 1859.

No. 98. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 8th June 1859, No. 1376.

In the list of works, prepared by the Consulting Engineer for Railways and furnished to me as being important as Railway feeders, is included the following work: metalling the road from Trivellore to the Cortelliar river at an estimated cost of Rupees 6,236.

The estimate for this work was sanctioned in Extract Minutes of Consultation dated 22nd August 1855 No. 443, and entered in Budget list No. 2 of 1856-57. It now appears in the current year's Budget, but no amount has been proposed for expenditure since the work is ordered to be deferred. As Captain Johnston is of opinion that this work should be commenced at once, I request that it may be exempted from the operation of the restrictive orders.
