No. 3. Read the following letter from Colonel C. E. FABER, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 30th March 1859, No. 9126.

SIR,

I have the honor to forward, for submission to Government, copy of a letter No. 1164, dated 14th March 1859, from the District Engineer of Madura, recommending that the Bungalow built by Mr. Assistant Supervisor Bywater at a cost of Rupees 250, be purchased for a sum of Rupees 100 for a Store House for the Iyempully Talook, and as the building is said to be well built and roomy, and is "altogether a far better Store house than could be built" for the latter amount, I beg to recommend that Government will be pleased to authorize the purchase for Rupees (100) one hundred, out of the amount allowed in the current year's Budget* for constructing Overseer's Store sheds in the District of Madura.

* No. 2 item 142.

Letter from Captain J. G. RYVES, District Engineer of Madura; to Colonel C. E. FABER, Chief Engineer, dated Dindigul, 14th March 1859, No. 1164.

SIR,

I have the honor to recommend that the Bungalow built by Assistant Supervisor Bywater for his private use be purchased as a Store house for the Iyempully Talook instead of building a new one. Mr. Bywater will in future have to make Dindigul his head quarters as the Central station of the Nellacottah, Taadicomboo and Iyempully Talooks, and as he will have to rent a house at that station, he is of course desirous of selling the Bungalow which he has built at Pulney. The Bungalow is well built and roomy and altogether a far better Store house than could be built for 100 Rupees. The cost of its construction was Rupees 250.

No. 4. ORDER THEREON, No. 872; dated 13th April 1859.

Agreeably to the Chief Engineer's recommendation, the Honorable the Governor in Council sanctions the purchase of Mr. Bywater's Bungalow for a sum of Rupees (100) one hundred to be used as a Store house for the Iyempully Talook in the Madura District; the disbursement being charged to the Estimate of Rupees 700 for Store sheds in the District entered in the Budget* of 1858-59, and which it is observed has been set free from the restrictive orders.
