From J. D. BOURDILLON, Esq., Secretary to the Government of Fort Saint George; to Lieutenant-Colonel H. YULE, Secretary to the Government of India, dated 13th April 1859, No. 879.

SIR,

With reference to the orders of the Government of India, communicated in para. 12 of Major Strachey's letter No. 4606, dated 23rd September last, and to para. 10 (page 6) of the Report on the Madras Budget for 1859-60, dated 3rd January 1859, No. 2, I am directed by the Honorable the Governor in Council to submit a List of the sanctioned Works exempted by this Government from the operation of the restrictive order, during the month of February 1859.

109	South Arcot.	Additional metalling on Trunk Road No. 8, between Oolundoorpett and Tolodoor in this District.	17th Feby. 1859, No. 403.	15,050	On a representation from Messrs. Taylor and Co., Government Mail Contractors, of the bad state of Trunk Road No. 8, and consequent detention of the Southern Mails, orders were issued on the 25th November 1858, for the immediate execution of the requisite repairs to prevent such detention. Since then, a sum of Rupees 6,700 was sanctioned for the repair of parts of the Road in the Trichinopoly District, specially damaged by the floods of November; and it was hoped that these measures would have removed much of the evil complained of. It was reported however, that nothing short of the complete metalling of the Road would put it in order so as to admit of its being maintained hereafter in a state fit for quick traffic. The Government therefore exempted these two Estimates from the restrictive orders. Of the first Estimate of Rupees 15,050, a sum of Rupees 3,193 was spent during the year 1857-58.
