MILITARY DEPARTMENT.

No. 1103.

Extract from the Minutes of Consultation, 21st March 1859.

Read letter from Captain E. T. Fasken, for the Inspector General of Ordnance and Magazines, 10th March 1859, No. 735; to the Secretary to Government, Military Department.

With reference to the order of Government, Military Department, No. 2512, dated 13th July 1858, authorizing the supply of certain articles from the Ordnance Department for the use of the Cantonment Roads of Bangalore, and No. 1382, dated 16th July 1858, granting a sum of Rupees (6,000) six thousand, and Rupees (7,000) seven thousand, respectively, for the maintenance of the Bangalore and Secunderabad Roads, and placing the maintenance of these Roads in the Department Public Works, I have the honor to enquire whether it is the intention of Government that the articles mentioned in List B. of the first quoted order of Government are now to be supplied or not, and if so, whether on payment or otherwise.—As the above Funds have been placed at the disposal of the Department Public Works on account of the Bangalore and Secunderabad Roads in addition to the sums allotted in the Budget,* it seems to me that in accordance with the principle which governs the supply of all other Stores from the Ordnance to the Department Public Works, the articles in question if supplied at all should be paid for by the latter Department.

* *Vide Extract Minutes of Consultation, No. 1382, dated 16th July 1858.*

The Governor in Council observes, that under the provisions of Minutes of Consultation No. 2512, 13th July 1858, the articles alluded to in the foregoing letter, were not to be replaced by Government.

2. They should accordingly be issued on payment in the usual manner.
