No. 79. Read the following letter from Lieutenant Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 15th April 1859, No. 2599.

SIR,

With reference to Extract Minutes of Consultation No. 699, dated 24th Ultimo, I have now the honor to forward List No. 1 or Gradation List, giving the entire Engineering and Upper Subordinate Establishments of the Department of Public Works, corrected up to the 15th Instant.

2. Although a Circular with copy of the order of Government above quoted, together with a supply of blank forms was despatched to the several Districts on the 28th Ultimo, and every promptitude of reply enjoined, I regret to have to inform Government that the only Officers who have furnished the information required to enable the Central Office to compile No. 2, or the District List, are those marginally named. The Civil Architect and District Engineer of Nellore having sent up their Returns in an incorrect and incomplete form, it was found necessary to return the Lists of those Officers.

Bangalore Executive Engineer, Civil Architect and District Engineers of Coimbatore, South Arcot, Tinnevelly, Nellore, Chingleput and Vizagapatam.

3. Looking to these delays, and the possibility of mistakes involving still further hinderance in the compilation of the List, I would beg that I may be allowed to defer the submission of No. 2 or General District List, until the close of the half-year ending 30th June, by which date it is hoped a complete and accurate List will be put before Government together with a revise, corrected up to the same date, of No. 1 or Gradation List of the Engineering and Upper Subordinate Establishments.

No. 80. ORDER THEREON, No. 912; dated 18th April 1859.

The Chief Engineer will postpone the submission of the General District List of the Department till after the close of the current half-year. Indeed the preparation of the List for the first quarter of the year was enjoined chiefly with the object of ensuring accuracy in the half year's List.

(Signed) J. D. BOURDILLON,
Secretary to Government.

Central Office of Public Works
Fort Saint George 15th April 1859.
