SIR,

I am desired by the Commander-in-Chief to request you will be so good as to lay before Government His Excellency's earnest solicitation that steps may be taken without delay, towards providing the station of Jackatalla with a place in which Divine Service may be performed. The congregation (Protestant) would at present consist of fully 1,000 souls, which will be materially increased on the families of the Rifles joining them, the strength of the Regiment precludes the use of any of the present buildings for the purpose, and Sir P. Grant is of opinion that it will be necessary to erect a temporary building—on this subject I beg to refer you to my letters No. 183 of 10th August and No. 245 of 23rd September last.
