Fort Saint George, Public Works Consultation of 29th April 1859.

No. 13. Read the following letter from Surgeon A. N. MAGRATH, Director General, Medical Department; to T. PYCROFT, Esq., Chief Secretary to Government, dated 31st March 1859, No. 59.

SIR,

An application having been made by the Public Works Department; * for a Subordinate to afford Medical aid to the Officers and Men employed in opening up the Tambracherry Pass, I have the honor to recommend, in consequence of the paucity of Medical Subordinates, that Government may be pleased to sanction the temporary employment of Mr. J. Petman, a Surgeon employed on the Coffee Estates of Messrs. Leckie and Co., Wynaad, for this duty,

2. The documents as per margin will show Mr. Petman's qualifications for the duty.

3. In consideration of the fact that Mr. Petman is partially occupied, and in receipt of pay from his employers, I am inclined to think, that the pay of an Assistant Apothecary (70 Rupees) with an allowance of 30 Rupees for travelling, in all 100 Rupees per mensem, would be a fair remuneration for this service.

4. If Government should be placed to sanction the arrangement above proposed, I will take immediate steps for securing Mr. Petman's service.
