No. 46. Read the following lettter from Colonel C. E. FABER, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 4th April 1859, No. 9300.

SIR,

I have the honor to submit, for the sanction of Government, the accompanying Estimate amounting to Rupees 3,750, for the construction of two Tunnels and repairing portions of Trunk Road No. 5, between Vaniembady and Muttoor, very much damaged during the heavy floods of October last.

1 Copy of a letter from the District Engineer of Salem, No. 958, dated 11th March 1859.
1 Abstract Estimate.

2. For a considerable time during the last monsoon, this line of Road was almost impassable indeed, near the 5th mile stone, after three weeks dry weather, the Road was still under water.

3. The Estimate has been examined, and the rates are as usual for that locality. I have the honor therefore to solicit the sanction of Government at an early date, for the amount, viz., Rupees (3,750,) three thousand, seven hundred and fifty, to enable the District Engineer of Salem to make the necessary repairs before the next monsoon.

Letter from Captain T. E. GAHAGAN, District Engineer of Salem; to Colonel C. E. FABER, Chief Engineer, dated Camp Namcall, 11th March 1859, No. 958.

SIR,

Agreeably to the Superintending Engineer's letter No. 5675 of the 23rd November last, I have the honor to forward an Estimate amounting to Rupees 3,114, for reparing and properly completing Trunk Road No. 5, between Vaniembady and Tripatore, and one amounting to Rupees 636 for some work urgently required for the same line between Tripatore and Muttoor.

2. As during the last monsoon the Road was almost impassable for some weeks* in the parts mentioned in the accompanying Estimates, I have the honor to request permission to proceed with the work on emergency, in order that it may be completed before the monsoon of October next sets in.

* In December last when I inspected the line after 3 weeks of dry weather, the 5th mile stone was still under water.

No. 47. ORDER THEREON, No. 952; dated 21st April 1859.

The Estimate submitted with the above letter is sanctioned. The Government are surprized that it was not sent up at a much earlier date.

(Signed) J. D. BOURDILLON,
Secretary to Government.
