Dated 18-4-47.

Not to be folded or roughly handled

Fort Saint George, Public Works Consultation of 29th April 1859.

No. 74. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 23rd April 1859, No. 9828.

SIR,

In continuation of my letter No. 8632, dated 16th March 1859, I have the honor to forward for submission to Government, copy of a letter* from the District Engineer of Trichinopoly, reporting that his efforts to procure Stone Cutters for Ceylon have utterly failed.

* No. 1923 dated 14th April 1859.

Letter from Captain F. J. MOBERLY, District Engineer of Trichinopoly; to Lieutenant Colonel J. H. BELL, Chief Engineer, dated 14th April 1859, No. 1923.

SIR,

I regret to have to report that my efforts to procure Stone Cutters for Ceylon have utterly failed.

2. Of 3 men who went from here last year one is dead, another is reported on his way home ill, the 3rd who came back some months ago says that he has not been able to do a day's work since he came back, from complete physical prostration—no money would induce him to go back.

3. The Maistry Stone Cutter says perhaps 50 Rupees a month might tempt somebody, but that I look on as absurd.

4. I may observe that there is no lack of employment in this place itself, for far more people than there are, and prices are consequently very favourable for them.

No. 75. ORDER THEREON, No. 966; dated 27th April 1859.

Ordered to be communicated to the Government of Ceylon in continuation of the letter to them from this Department dated 26th Ultimo No. 718.

(Signed) J. D. BOURDILLON,
Secretary to Government.

No. 76. Ordered in consequence that the following letter be despatched.

From J. D. BOURDILLON, Esq., Secretary to the Government of Fort Saint George; to W. C. GIBSON, Esq., Colonial Secretary at Colombo, dated 27th April 1859, No. 967.

SIR,

In continuation of my letter to your address under date the 26th Ultimo No. 718, I am directed to transmit to you for the information of the Honorable the Governor, copy of a further letter from the Chief Engineer and of its accompaniment from the District Engineer of Trichinopoly reporting the utter failure of the latter Officer's efforts to procure the Stone-Cutters required by the Ceylon Government.
