*Proceedings of the Madras Government, Public Works Department,
for the month of January 1860.*

No. 34. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 24th December 1859, No. 8691.

I have the honor to forward for submission to Government with reference to their order dated 16th November last, No. 2674, the accompanying letter Dated 6th December 1859, No. 963. from the District Engineer of Trichinopoly, regarding the deputation allowance Mr. Mead should draw while acting 2nd Assistant, vice Ricketts on other duty.

2. On the 2nd instant Mr. R. Smith, 1st Assistant District Engineer was transferred from the Godavari division to the Trichinopoly district and Mr. Ricketts consequently acts for Mr. Smith instead of for Captain Stoddard.

3. Lieutenant Mead who was on a former occasion appointed to act for Mr. Ricketts continues to act for him still, but as now Mr. Smith forfeits his entire salary, the District Engineer of Trichinopoly recommends that Lieutenant Mead may be permitted to draw deputation allowance to the full extent of the salary of Mr. Ricketts, who draws that of Mr. Smith.

4. Lieutenant Mead is still a Probationer, and though he has not yet passed in a vernacular, he has rendered most useful service to the department and having thereby been hindered in prosecuting his studies, appears to me deserving of the salary of a 2nd Assistant District Engineer, namely, Rupees 150.

No. 35. ORDER THEREON, 13th January 1860, No. 100.

Referred to the acting Civil Auditor for report.

Chief Secretary.
