*Proceedings of the Madras Government, Public Works Department,
for the month of May 1860.*

No. 3. Read the following letter from Captain C. H. DICKENS, Officiating Secretary to the Government of India, to J. D. BOURDILLON, Esq., Secretary to the Government of Madras, dated Fort William, 3rd May 1860, No. 2,261 :—

I am directed to acknowledge receipt of your letter No. 7 of the 18th April 1860, forwarding copies of six Despatches addressed by the Madras Government to Her Majesty's Secretary of State for India.

2. I am desired in the first place to point out that three of these printed Despatches are dated the 4th April, and the copies might, therefore, have been sent for the information of the Government of India by the Steamer which left Madras on the 6th and arrived at Calcutta on the 9th April. But they were all detained till the 18th, and were then sent by land; so that they did not reach Calcutta till the 30th ultimo.

3. I am further desired to remark that two of these Despatches, No. 14 of the 4th, and No. 16 of the 11th April, convey requests to the Secretary of State to place funds at the disposal of the Government of Madras, in addition to the sum assigned by the Government of India for expenditure on Public Works. As such demands may render it necessary for Her Majesty's Government to refer to the Government of India, much time would have been saved if the Government of Madras had made these applications direct to this Office.

4. I am lastly instructed to notice that the copy of the Inspection Report on the site of the line of works to be undertaken by the Madras Irrigation Company has been received without a copy of the sketch map which accompanied the Despatch No. 13 of 4th April. I am to request that a copy may be supplied as early as convenient for the information of the Government of India.

No. 4. Ordered in consequence that the following letter be despatched.

From J. D. BOURDILLON, Esq., Secretary to the Government of Fort Saint George, to Captain C. H. DICKENS, Officiating Secretary to the Government of India, Department Public Works, dated 21st May 1860, No. 1,049.

With reference to paragraph 4 of your letter of the 3rd instant, I am directed by the Honorable the Governor in Council to forward a copy of the Sketch Map of the line of Canal proposed to be undertaken by the Irrigation Company, which accompanied the Despatch to the Home Government of the 4th April last, No. 13.
