No. 51. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to T. PYCROFT, Esq., Chief Secretary to Government, dated 12th January 1860, No. 9108.

I have the honor, with reference to the order of Government as per margin,* communicating an order in the Military Department of the 3rd of January 1860, No. 28, to state that I am unwilling to offer any objection to the transfer of Captain Shaw Stewart for service in China, though the loss of his services in the department will not be without inconvenience, since there has been so much unexpected delay in obtaining approval of the new Code, that its revision will occupy much of the time of myself and my Assistant when Captain Stewart has left the office. The difficult part of the work has, however, been accomplished.

* January 12th 1860, No. 89.

2. Lieutenant Trail's services may be transferred without inconvenience.

3. Lieutenant Montgomerie is not in the Department Public Works but is under the orders of the Commandant of Engineers.

4. I particularly request that Captain Stewart may not be withdrawn from duty in this office till it is necessary for him to embark.

No. 52. ORDER THEREON, 13th January 1860, No. 110.

Ordered to be communicated to the Military Department with reference to the Proceedings in that Department dated 3rd January 1860 No. 28.
