G.N. 23/11/38

No. 57. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 4th January 1860, No. 8810.

I have the honor with reference to the order of Government as per margin, to submit the accompanying letter from the Collector of Malabar, enclosing copy of one* from Mr. Gordon, a coffee planter in Wynád, who states that the planters interested in the opening of the Tambracherri ghát will probably lend the money required to complete the trace, provided that the Government will guarantee the re-payment of the loan in May next, when the amount entered in the budget of 1860-61 will, if sanctioned, be available.

Dated 31st October 1859, No. 2562.
December 23rd 1859, No. 3539.
* Dated 19th December 1859.
1 Letter from Collector of Malabar, with one enclosure.
1 Do from District Engineer of do.

2. The amount in question is Rupees 10,000 and I recommend that the guarantee asked for may be given should there be no objection, on grounds unknown to me, to the procedure.

3. Early orders it will be seen, are requested by the Collector to prevent the dispersion of the laborers now on the ghát.

4. Since writing the foregoing paragraphs, I have received the accompanying letter from the District Engineer of Malabar on the same subject. He does not make any distinct proposition for the acceptance of the loan from the planters, but I gather from the last paragraph that he approves of the same.

December 29th 1859, No. 414.

5. Mr. H. B. Smith's alleged neglect of orders referred to in paragraph 2 will be noticed.

No. 58. ORDER THEREON, 13th January 1860, No. 113.

The amount required for the purpose of carrying on operations on the Tambracherri ghát until May next being small and the work being emergent; and it being, moreover, of great importance that there should be no delay, as by the postponement of the work to that time, a season would be lost, the Honorable the Governor in Council authorizes the Collector of Malabar to advance Rupees (10,000) ten thousand to the District Engineer in anticipation of the budget.

(Signed) T. PYCROFT,
Chief Secretary.

No. 59. Ordered in consequence that the following letter be dispatched.

From T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George; to Colonel H. YULE, Secretary to the Government of India, D. P. W., dated 13th January 1860, No. 114.

In transmitting for submission to the Government of India, the accompanying letter No. 8810 dated 4th instant from the Chief Engineer relating to the Tambracherri ghát, I am directed to report, for approval, that as the amount required for the purpose of carrying on operations on the pass until May next is small, and the work emergent; and as it is, moreover, of great importance that there should be no delay, as by the postponement of the work a season would be lost, the Honorable the Governor in Council has authorized an advance of Rupees (10,000) ten thousand in anticipation of the budget.
