No. 82. Read the following letter from W. WATERFIELD, Esq., Acting Civil Auditor; to J. D. BOURDILLON, Esq., Secretary to Government, dated 9th December 1859, No. 596.

I have the honor to request that you will obtain the instructions of Government as to the manner in which I am to interpret the order No. 1442, dated 21st October 1859, published in the Official Gazette at page 864, Volume II.

This seems to be merely a republication of the old rule described in letter No. 7815, dated 31st December 1858, Financial Department; and I cannot see the object of its repetition, unless it be designed to rescind the order of 16th November 1858, No. 5765, in the Public Works Department.

With reference to the latter order, Government ruled in their orders No. 1054, dated 4th May last, that the locum tenens was to draw the full salary of the appointment. If it is now superseded, he will of course revert to the acting allowances. I presume that in any case the notification will only have effect from the date of its publication in the Fort Saint George Gazette prospectively; as otherwise it will be necessary to recover the difference between full and acting allowances from all persons officiating in the department since the beginning of the year.

No. 83. ORDER THEREON, 18th January 1860, No. 127.

Ordered that a reference be made to the Government of India on the subject of paragraphs 1 and 2 of this letter.

2. With reference to paragraph 3 the Governor in Council observes that paragraph 2 of the G. O. of 21st October 1859 clearly annuls the ruling of this Government in their order of 4th May last No. 1054, and that the new rule can only, of course, have effect in this Presidency from the date of its publication in the Fort Saint George Gazette.

(Signed) T. PYCROFT,
Chief Secretary.

No. 84. Ordered in consequence that the following letter be dispatched.

From T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George; to Colonel H. YULE, Secretary to the Government of India, P. W. D., dated 18th January 1860, No. 128.

I am directed to refer, for the instructions of the Government of India, the accompanying letter* from the Acting Civil Auditor of Madras, inquiring whether the rule laid down in the General Order by the Honorable the President of the Council of the Right Honorable the Governor General of India in Council No. 1442 of 1859 dated 21st October, on the subject of the half staff salary of staff and other officers temporarily remanded to their own regiments, cancels that established by your circular 16th November 1858 No. 5765.

* Dated 9th Dec. 1859, No. 596.

With reference to the closing paragraph of Mr. Waterfield's letter, I am to observe that paragraph 2 of the G. O. in question clearly annuls the ruling of this Government alluded to by him, but that of course the new rule can only have effect in this Presidency from the date of its publication in the Fort Saint George Gazette.

I have the honor to request that you will obtain the instructions of Government as to the manner in which I am to interpret the order No. 1142 dated 21st October 1859, published in the official Gazette at page 861, Volume II.

With reference to the latter order Government rule in their orders No. 1054, dated 1st May last, that the Incumbents was to draw the full salary of the appointment. If it is now

now superseded, he will of course, revert to the Acting allowances. I presume that in any case the Notification will only have effect from the date of its publication in the Fort St George Gazette prospectively; as otherwise it will be necessary to recover the difference between full & acting allowances from all persons officiating in the Department since the beginning of the year.
