Proceedings of the Madras Government, Public Works Department, for the month of January 1860.

No. 115. Read the following Proceedings of the Madras Government in the Military Department, dated 10th January 1860, No. 125.

Ordering that the Chief Engineer be requested to call for a report on the Depôt Hospital at Cuddalúr, together with an estimate for the alterations proposed; also whether the owner of the building has any objection to the adoption of the roof ventilation.

(Vide Military Proceedings from 1st to 10th January 1860, Nos. 261-262.)

No. 116. ORDER THEREON, 19th January 1860, No. 145.

Ordered to be communicated to the Chief Engineer, who will be requested to attend to the requisition contained in paragraph 2 of the above order.

(Signed) C. G. MASTER,
Dy. Secretary to Government.

MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the Deputy Quarter Master General of the Army, Fort Saint George, 24th December 1859, *No.* 477; *to the Secretary to Government, Military Department.*

Among the various recommendations made by the Inspector General of Hospitals in his recent tour, is one for rendering that quarter of the Town of Cuddalore, in which the European Pensioners reside, more healthy and cleanly. His representation of the condition of the locality is such, as to make it a matter of urgent necessity, that immediate steps should be taken to remove the many nuisances spoken of: and accordingly the Officer Commanding the Centre Division was ordered to send in a contingent bill for the cost of the work to be done. That bill I beg herewith to forward for the sanction of Government.

2. The Hospital used by the Pensioners is a hired building of very defective ventilation indeed, and calling for early remedy. The sanction of Government is solicited to the addition of Roof ventilation to the building at the cost of Government, otherwise if it be done at the cost of the owner, additional rent may be charged.

ORDER, No. 125, 10*th January* 1860.

The Governor in Council observes that Cuddalore not being a Military station, any sanatory arrangements connected with that town, should more properly be provided for by the Civil authority there. His Honor resolves therefore, that the foregoing letter be communicated to the Revenue Department, in view to instructions being issued accordingly, to meet the requirements brought to notice.

2. With regard to the Depôt Hospital at Cuddalore, the Chief Engineer will be requested through the Department of Public Works, to call for a Report on the building in question, together with Estimate of cost for the alterations proposed; also with reference to the building being private property, whether any objection exists on the part of the owner, to the Roof ventilation being adopted.

(True Extract.)

Acting Dy. Secretary to Government.

To the Quarter Master General.
