No. 7. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 24th December 1859, No. 8703.

Paragraph 1. Agreeably to instructions contained in your memorandum, dated 13th June 1859, to the address of the Board of Revenue, I have the honor to submit the estimate therein called for, for raising and extending the bank along the water spread of the Eliadarakondan tank in Strévellipitúr táluq, amounting to Rupees (320) three hundred and twenty.

1 Letter from the District Engineer, No. 110, dated 18th November 1859.
1 Abstract estimate Rupees 320.
1 Proceedings of Board of Revenue, No. 2123, dated 7th June 1859.
1 Letter from C. A. Roberts, Esq., No. 28, dated 19th April 1859.
1 Do. from Captain Payne, dated 4th July 1856.
1 Printed letter from Collector of Tinnevelli, No. 183, dated 2nd May 1859.
1 Copy of correspondence from and to Major Hersley.
1 Sketch.
1 Tamil petition with sketch and 1 enclosure.

2. The estimate has been carefully examined in this office and the work proposed by the acting District Engineer of Tinnevelli, seems to be one of public utility. The rates allowed in it are moderate yet sufficient for the work therein contemplated.

3. The delay in the submission of the estimate has arisen from the circumstance of the same having to be called for from the District Engineer, who had to prepare and forward it on the receipt of my proceedings of the 27th July last.

4. The Board in their Proceedings of the 22nd June last, expressed their opinion that the work now recommended should be completed without delay; in this I concur on the understanding that the estimate should be met from the general funds for repairs of the district.

No. 8. ORDER THEREON, 21st January 1860, No. 158.

The Government sanction the estimate of Rupees (320) three hundred and twenty submitted with this letter, for raising and extending the bank along the water spread of the Eliadarakondan tank in the Strévellipitúr táluq of Tinnevelli to be charged to the repair fund of the district.

(Signed) T. PYCROFT,
Chief Secretary.
