No. 22. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 6th January 1860, No. 8860.

I have the honor to forward herewith for the information of Government, a letter received from the District Engineer of Ganjam, reporting a heavy fall of rain in that district on the 5th and 6th ultimo accompanied by a gale.

1 Letter from District Engineer 15th December 1859, No. 535.

2. The sea is reported to have submerged the Umeravalli and Nowpada Salt pans; but the damage done has not been serious.

3. At Kimidi the centring walls of the bridge which is under construction across the Mahindra Tunni river were partially carried away by a fresh.

4. Captain Harington states that considerable damage has been done to the rice crops; but that as many of the tanks previously quite empty owing to the scarcity of rain in the monsoon months, have now been filled, there will be water for oil seeds, gram and other dry crops.

No. 23. ORDER THEREON, 21st January 1860, No. 166.

Ordered to be recorded.
