*Proceedings of the Madras Government, Public Works Department,
for the month of January 1860.*

No. 58. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer ;
to J. D. BOURDILLON, Esq., Secretary to Government, dated 6th January 1860,
No. 8858.

Adverting to the concluding part of paragraph 1 Extract Minutes Consultation, dated the
30th March last, I have the honor to submit the accompanying
Dated 24th November 1859, No. 303. letter received from the District Engineer, Trichinopoly, report-
ing how the sum of Rupees 23,000 sanctioned in the order of
Government referred to above, for laying in a stock of teak timber for the military works and
bridges proposed to be constructed in that district is to be charged.

2. The amount authorized for the purchase of timber Captain Moberly states, is to be charged
to the estimates for bridges, Artillery buildings, Infantry hospital, Cavalry sick stables and
the Collector's press room and minor works, and adds that, if the restrictive orders had not put
a stop to the construction of the bridges, the European Infantry hospital and the Cavalry sick
stables, none of the 23,000 Rupees worth of timber purchased would have been left. A great
deal of it is at present lying at Negapatam, besides the quantity that has been already used in
the Artillery buildings, the Collector's press room and minor works.

3. The estimates for the bridges have been submitted.

No. 59.

ORDER THEREON, 24th January 1860, No. 185.

Ordered to be recorded.
