*Proceedings of the Madras Government, Public Works Department,  
for the month of January 1860.*

No. 85. Read the following letter from Lieutenant-Colonel J. H. BEIL, Chief Engineer ;  
to the Secretary to Government, dated 11th January 1860, No. 9001.

I have the honor to forward herewith the letters marginally noted, from the District Engineer, Vizagapatam, together with a plan and estimate amounting to Rupees (970) nine hundred and seventy, for excavating certain irrigation channels and for renewing embankments in the village of Tatakulapalayam in the Survasiddi taluq of the Vizagapatam district.

2. The above works were commenced without sanction and the District Engineer was censured for the irregularity in Proceedings dated 20th August last, No. 4048.

2. The estimate has been duly examined and the rates therein have been found correct. I recommend that the work may receive the sanction of Government, as agreeably to the returns submitted by the Revenue authorities who have made an agreement with the rāyats, land to the extent of 148½ acres will be brought under cultivation, yielding a direct return to Government of Rupees 812-12-0, on the outlay.

No. 86. ORDER THEREON, 26th January 1860, No. 199.

The estimate amounting to Rupees (970) nine hundred and seventy submitted with this letter, is sanctioned.

(Signed) T. PYCROFT,  
*Chief Secretary.*
