RIGHT HONORABLE SIR,

Paragraph 1. With reference to the correspondence noted in the margin, we have the honor to forward a further correspondence relating to the Mechanical Engineers R. Boyle and E. Fisher who were dismissed from Her Majesty's Service.

From Home Government,	14th October 1859,	No. 25.
To do.	2nd November "	60.
From do.	8th February 1860, "	17.
From Chief Engineer,	5th November 1859,	No. 6,942.
Order,	9th "	" " 2,628.
From Civil Auditor,	10th "	" " 503.
Order,	15th "	" " 2,608.
From Chief Engineer,	17th "	" " 7,373.
Order,	19th "	" " 2,714.

2. The Civil Auditor reported that a sum of Rupees 1,523-15-9 remained due to these individuals after deducting the advances made to their families in England, and enquired with reference to the penalty of forfeiture of a year's wages stipulated in their covenant for any breach of it, whether the amount should be withheld from them in part fulfilment of that condition. The Chief Engineer to whom the matter was referred considered the dismissal itself a sufficient punishment, and forbore to recommend the enforcement of the penalty. We agreed with Colonel Bell, and ordered the disbursement of the sums due to Messrs. Boyle and Fisher without any deduction on account of the liability.

3. Referring to your letter of the 14th October 1859, No. 25, we would observe that Mr. Fisher is the person whose dismissal was reported in our letter of the 2nd November 1859, No. 60.

We have the honor to be,

Right Honorable Sir,
