Proceedings of the Madras Government, Public Works Department,
15th October 1860.

No. 216. Read the following letter from J. R. BOYSON, Esq., Government Solicitor, to J. D. BOURDILLON, Esq., Secretary to Government, dated Madras, 10th October 1860, No. 938:—

SIR,

1. With reference to my letter of the 14th ultimo, No. 860, I have the honor to state that a report which I have since received from the Collector of the Godavery District, and the contents of a communication which Messrs. Binny and Co. have recently received from Mr. Murray, (who is still in England) enable me to advise that Government can safely pay the *arrears* of rent as well as the *accruing* rent, for the building at Cocanada used by the Commissariat Department to Mr. Murray's authorised Agents on their receipt; and to suggest that this course be adopted.

2. I see fair reason to hope that the existing dispute as to the ownership of the premises will soon be amicably arranged, and that I shall thus be placed in a position to complete the purchase on behalf of Government.

No. 217. ORDER THEREON, 15th October 1860, No. 2,141.

This letter will be communicated for the information and guidance of the Chief Engineer with reference to the orders of the 17th March and 15th June 1860, Nos. 570 and 1,234, and also to the Military Department.
