*Proceedings of the Madras Government, Public Works Department,
for the month of January 1860.*

No. 43. Read the following letter from Colonel A. COTTON, Commandant of Engineers; to J. D. BOURDILLON, Esq., Secretary to Government, dated 20th December 1859.

The Chief Engineer of Mysore has obligingly placed at my disposal an officer of his department, Captain Puckle, for the purpose of examining the country near Nundidroog, with reference to the project of water-supply for Bangalore. But there have been some additional expenses, which I have included in a contingent bill, herewith forwarded, and which I beg the Government will be pleased to sanction.

In transmitting this, I should bring to the notice of Government the admirable manner in which this duty has been performed by Captain Puckle, proving himself in my opinion, a very efficient and able Engineer. I also am highly satisfied with the work of Mr. Doyle, who has assisted him in the surveying and levelling.

No. 44. ORDER THEREON, 4th January 1860, No. 22.

1. The Government sanction the contingent bill submitted with this letter amounting to Rupees one hundred and sixty-two.

2. The high praise bestowed by Colonel Cotton on Captain Puckle and Mr. Doyle will be brought to the notice of the Commissioner of Mysore.

(Signed) J. D. BOURDILLON,
Secretary to Government.

No. 45. Ordered in consequence that the following letter be dispatched.

From J. D. BOURDILLON, Esq., Secretary to the Government of Fort Saint George; to Lieutenant-General Sir M. CUBBON, K. C. B., Commissioner for the Government of the Territories of His Highness the Rajah of Mysore, dated 4th January 1860, No. 23.

With reference to the correspondence noted in the margin,* I am directed by the Honorable the Governor in Council to forward a communication from Colonel A. Cotton bringing to favourable notice the manner in which Captain Puckle and Mr. Doyle have acquitted themselves in the duty assigned to them, of examining the country near Nundidroog with reference to the project of the supply of water to Bangalore.

To Commissioner of Mysore 6th September 1859, No. 2138.
From do. 10th Oct. do. No. 20.

To Mr. W. M. Allen
Comdr. of Engineers
of the Ordnance Dept.
Sept. 20th

Sir

The Chief Engineer of the
Army has deigned to send at my
disposal an Officer of his Staff
Capt. Puckle for the purpose of
examining the country near Bombay
with reference to the project
of Water supply for Bangalore. But
there have been some additional
expenses, which I have included in
a contingent Bill, herewith forwarded,
and which I by this post will be
pleased to enclose.

In transmitting this, I
should bring to the notice of your
Honourable Committee in which
this staff has been for some time
by Capt. Puckle, pursuing himself
in my opinion a very efficient
and able Engineer. I am
highly satisfied with the work
of Mr. Doyle, who has assisted him
in the surveying and leveling.
