SIR,

1. With reference to paragraph 2, of the Proceedings of Government, No. 2,128 dated 12th October 1860, I have the honor to observe that the delay in the submission of the bill therein sanctioned was owing to the frequent changes in the Audit Department, Northern Circle, caused first, by Teroovengadum Moodeeli having accompanied me in my tour to the north, and second, by his suspension in June last, whereby several papers were mislaid, and lost sight of, and the bill in question among the number.

2. It is only since Mr. Brock took the Northern Circle Audit into his hands, in addition to his own work, that the arrears have been cleared off.
