*Proceedings of the Madras Government, Public Works Department,
for the month of January 1860.*

No. 151. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer;
to T. PYCROFT, Esq., Chief Secretary to Government, dated 24th January 1860,
No. 9532.

I have the honor, with reference to Proceedings of the 21st instant, to state that the small
sum of Rupees 300 monthly for the boat friction experiments can
No. 148. easily be provided from the Gó dávari district funds of this year and
of 1860-61, should the experiments be carried on after April next. I know of no other available
source.

2. I will answer paragraph 2 after consulting with Colonel Cotton and Captain Rundall.

No. 152. ORDER THEREON, 28th January 1860, No. 231.

The Government grant sanction for a further sum of 1,500 Rupees being placed at the dis-
posal of Colonel A. Cotton for experiments on the Gó dávari for the purpose of ascertaining
the surface friction of boats. The amount so advanced will be adjusted from the Gó dávari
district funds of the current and ensuing years referred to in the Chief Engineer's letter of the
24th instant.

(Signed) T. PYCROFT,
Chief Secretary.
