JUDICIAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, Department Public Works, to J. D. SIM, Esq., Acting Secretary to Government, Public Works Department, Fort Saint George, dated Chepauk, 21st November 1860, No. 7,220.

1. I have the honor to forward here with an Estimate, amounting to Rupees 260, for making and fixing Iron Spikes over the venetians of the wooden partitions in the Ward on the North West Angle of the Penitentiary Buildings.

Enclosures 5.

1 *Letter from the District Engineer, Presidency, No.* 1,331, *dated 1st November* 1860.
1 *Copy of letter from the Commissioner of Police, No.* 540, *dated 18th October* 1860.
1 *Letter from the Barrack Master, No.* 1,119, *dated 25th September* 1860.
1 *Letter from the Commissioner of Police, No.* 435, *dated 20th September* 1860.
1 *Abstract Estimate.*

2. The partition was lately erected with other improvements to the Penitentiary at a cost of Rupees 1,470, but this portion of the work is now reported by the Superintendent of the Penitentiary to be unsafe, as he apprehends that the Prisoners could with great facility climb up the partition and, by laying a Cumbly on the top of it, get over the inner wall. To guard against such an occurrence, the District Engineer proposes fixing Iron Spikes over the venetians, which proposition Colonel Boulderson entirely approves.

3. The Estimate has been examined in this Office and found correct, and I therefore beg to recommend that it may be sanctioned for immediate execution from the general fund at the disposal of the District Engineer, Presidency.

Transferred to the Judicial Department.

(Signed) C. G. MASTER,
Dy. Secy. to Government.

23rd November 1860.

ORDER THEREON, 1st December 1860, No. 1,581.

The Government sanction the Estimate submitted with this letter, amounting to (260) two hundred and sixty Rupees, to be defrayed from the funds at the disposal of the District Engineer, Presidency.
