MADRAS RECORD OFFICE.

Government of Madras.

Public Relations DEPARTMENT.

G.O. No.	Page
Dated	15

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
for the month of January 1860.*

No. 193. Read the following Official Memorandum from Lieutenant-Colonel J. H. BELL,
Chief Engineer; to the Secretary to Government, dated 27th January 1860, No. 9670.

With reference to the official memorandum from the Chief Secretary to Government,
No. 39 dated 26th instant, the Chief Engineer has the honor to state that upon the orders of Go-
vernment of the 27th August last, the District Engineer of North Arcot
No. 2060. was called upon to submit an estimate for the road in question, which has
not been received in this office as yet. The sum entered in the budget is calculated on the mile-
age of 2,000 Rupees for 19 miles, the importance of the road as a railway feeder being considered
very great.

No. 194. ORDER THEREON, 31st January 1860, No. 253.

The project referred to in this memorandum being computed to cost above 25,000 Rupees,
it would be necessary to submit it for the sanction of the Government of India in statement No. 1
of the budget of 1860-61 accompanied with the necessary plans and estimates; but as these do-
cuments are not yet ready, the Government must direct that the work be excluded from the
budget.

(Signed) T. FYCROFT,
Chief Secretary.

No 9670 Official Minutes

No 2060

With reference to the Official
Minutes from the Engineering
to Government No 29 dated 28th inst.
the Chief Engineer has the honor to state
that upon the orders of Government of
the 29th August last the District Engineer
of North Ward was called upon to
submit an Estimate for the road in
question. It has been submitted
in this Office as yet. The same estimate
in the Budget is calculated on the
average of 2000 Paces for 14 miles
the importance of the Road as a Railway
Trunk Line is considered very great.

Ms. 253.

The Project referred to
in these letters being completed
to cost a few 20000 Dollars, it
ought to be necessary to purchase
it for the purchase of the horses
- must be made in Parliament by
of the Project of 1840 to complete
- must make the necessary plans
and so finally, but as these
- cannot be made yet, the
Government must direct that
they be to be expected from the
Project.
