*Proceedings of the Madras Government, Public Works Department,
10th December 1860.*

Read again the letter, recorded in Government Proceedings of the 21st November 1860, No. 2,404, from the Military Auditor General, dated 10th idem, in which he forwards a letter from the Chief Engineer, bringing to notice that he had, by mistake, granted Serjeant Wiffin, Overseer in the Nellore District two months' privilege leave, and requesting that the Serjeant may be allowed to draw his full pay during his absence; and sees no objection to the Chief Engineer's request.

No. 134 Read also the following letter from W. J. RAYNOR, Esq., Officiating Civil Auditor, to J. D. SIM, Esq., Acting Secretary to Government, dated Fort Saint George, 26th November 1860, No. 409:—

SIR,

With reference to the Order of Government dated 21st instant, No. 2,404, transmitting for report a letter from the Military Auditor General, with enclosure from the Chief Engineer in the case of Overseer Wiffin's privilege leave, I have the honor to state that, under the Rules, the Overseer is entitled strictly to Civil salary for *one* month only of such leave; but *two* months' cumulative leave having been erroneously granted him by the Chief Engineer, it would be a hard case to make him suffer for an inadvertence for which he is in no wise responsible, and as the salary of his post is available, the amount for the period of his absence in excess of one month may, if the Government see fit, be passed to him under special sanction, within the limit of the leave allowed by the Chief Engineer.

No. 135. ORDER THEREON, 10th December 1860, No. 2,543.

Under the circumstances brought to notice the Honorable the Governor in Council is pleased to authorize, as a special case, the payment to Serjeant Wiffin, Overseer in the Nellore District, of his Civil salary for the period of his absence in excess of the one month's privilege leave to which he is entitled, provided he does not exceed the leave granted him by the Chief Engineer. It is observed that the Military Auditor General sees no objection to the Serjeant being allowed to draw his full pay in the Military Department during his absence. He will therefore draw this also subject to the same condition.

(Signed) J. D. SIM,
Acting Secretary to Government.

To, J. D. Bourdillon, Esq.,
Secretary to Government P.W. S.
through the Military Auditor General,
Fort Saint George.

Sir,

I have the honor to report for the
information of Government that inadvertently
two months cumulative privilege leave of
absence was granted by me on the 25th
September 1860 to Overseer Sergeant Wiffen
of the Madras District, which he availed himself
of on the 4th October 1860.

2. On the 18th July 1860 the Military
Auditor General informed me that the
indulgence

of

indulgence of cumulative privilege leave has not been extended to the Military Subordinates of this Department, and I have accordingly not submitted since then any application for cumulative leave, which has been received from the District Engineers, on behalf of their several Military Subordinates.

3. The mistake in Sergeant Wiffen's case has only just been discovered by me, and I hasten to request that the Government will be pleased to authorize the full salary of Overseer Wiffen (Military and Civil) being passed to him for the time which may elapse from the expiration of one month's leave to the date of his return to his duty at Yellore, which he has been desired to expedite as much as possible. —
