Ordered to be communicated to the Chief Engineer for his information and guidance.

(Signed) J. D. SIM,
Acting Secretary to Government

PUBLIC DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

From T. G. CLARKE, Esq., Treasurer Monegar Choultry, to the Chief Secretary to Government, Fort Saint George, dated 31st October 1860.

With reference to the papers noted in the margin, I have the honor, with the concurrence of the Directors of the Monegar Choultry, to submit the accompanying letter from the Visiting Members for the month of September, and to request that you will be pleased to obtain the sanction of Government for the necessary repairs referred

to being executed by the Engineer Department; and, at the same time, to solicit that Government would kindly authorize the buildings of the Monegar Choultry being brought on the Barrack Master's list.

From the Visiting Members, to the Directors of the Monegar Choultry, Madras, dated 29th September 1860.

As the Visiting Members of this Institution for the month of September 1860, we desire to call your attention to the repairs, which are now required to the various parts of the premises as detailed below; and with reference to Extract Minutes of Consultation, under date the 12th April 1858, paragraph 8, we would suggest that the Secretary should be requested to make application to the Officer in charge of the Department of Public Works with a view to have the work completed as soon as possible.

(Signed) J. W. MUDGE, M.D.

(„) C. STRENEVASSA,

Visiting Members.

Paragraph 1. The Hospital requires white-washing and some slight repairs. The wooden grating over the main well in the Hospital is rotten and dangerous. It should be immediately repaired or renewed before any accident happens. There is also a grating door required for another well.

2. The drain from the Hospital premises is in a broken condition, thereby leading to imperfect drainage and consequent offensive stagnation.

3. The wall round the garden requires plastering on the western side, and a buttress at the south-west corner.

4. Two drains are required for the new wards of the Idiot Asylum, the drainage now sinking into the soil immediately outside the wards which must ultimately become offensive.

5. Two of the cells in the Idiot Asylum require repair.

13th September 1860;

From Lieutenant Colonel W. H. HORSLEY, Chief Engineer, Department Public Works, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Chepauk, 21st November 1860, No. 7,221.

With reference to the Deputy Secretary's Memorandum, No. 406, dated 8th instant, requesting to be informed whether the Idiot

1 Letter from the District Engineer Presidency, No. 1,410, dated 14th November 1860.

• No. 1,410, dated 14th November 1860.

Asylum was wholly built by Government or only added on to at their expense, I have the honor to forward herewith an original letter* from the District Engineer Presidency, stating

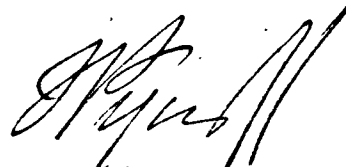

that the building in question was wholly built by Government in the year 1840,—vide Extract Minutes of Consultation, Public Department, No. 602, dated 19th May 1840.

ORDER THEREON, 3rd December 1860, No. 1,733.

The Government sanction the repairs stated to be required to the Monegar Choultry, and direct that the necessary orders for their execution be issued from the Department Public Works.

2. The Government must decline to bring the Choultry on the List of Public Buildings.

(True Extract.)

Chief Secretary.

To the Directors of the Monegar Choultry.

- „ Department Public Works. /
- „ Chief Engineer, with an Enclosure.
- „ Accountant General.
