 26. November, 1860.

Dear Sir
 I have the pleasure
 to acknowledge the
 receipt of your letter
 of the 29th inst.
 in relation to the
 above mentioned
 matter. I have
 forwarded the same
 to the proper
 authorities for
 their consideration.
 I am, Sir, very
 respectfully,
 Yours,
 J. B. Smith

PUBLIC WORKS DEPARTMENT.
Military.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. SIM, Esq., Acting Secretary to Government, dated Chepauk, 26th November 1860, No. 7,314:—

SIR,

- 1 Letter from Commissary General, No. 2,700, dated 1st October 1860.
1 Letter from Special Executive Engineer, No. 205, dated 24th October 1860.
1 Specification.
1 Plan.
2 Abstract Estimates.

I have the honor to forward, for submission to Government, a Plan, Specification, and two Estimates for the undermentioned works at Wellington in the District of Coimbatore, viz:—

	RS.	A.	P.
For constructing a light terraced front verandah to the Hospital	640	0	0
Commissariat Stores	...	...	...
Do. do. tiled roof	556	0	0

2. In my letter No. 2,195, dated the 30th June last, submitting an Estimate for Rupees 1,150, for constructing an additional room and effecting certain improvements to the Commissariat Store-room attached to the Hospital at Wellington, I stated that Captain Farewell's Estimate of Rupees 1,680, provided for a front verandah also, but being then of opinion that the verandah might be omitted on the score of expense, it was not included in the Estimate, as above, sanctioned by Government in their Proceedings No. 1,606, dated 27th July last.

3. On the 1st October 1860, the Commissary General addressed the accompanying letter, annexing one from the Sub Assistant Commissary General at Wellington, pointing out the great inconvenience experienced from the want of a front verandah to the building, and urging the necessity for the construction of the same.

4. Captain Farewell was accordingly requested to submit a Plan and Estimate for a verandah in front of the godown containing Hospital Stores, supported on wooden posts with a light terraced roof. This he has done, and with it he has forwarded a separate Estimate* for a tiled roof supported on brick pillars, which latter he recommends in preference to the former as being cheaper and more durable.

5. Under these circumstances, I beg to recommend the Estimate of Rupees 556 for sanction and entry in the Budget of 1861-62.

ORDER THEREON, 30th November 1860, No. 2,473.

Transferred for disposal to the Military Department with reference to the order in that Department of the 19th July last, No. 2,614.

(True Extract.)

(Signed) J. D. SIM,
Acting Secretary to Government.

To the Military Department, with six original enclosures.
