*Proceedings of the Madras Government, Public Works Department,
12th December 1860.*

No. 161. Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. SIM, Esq., Acting Secretary to Government, dated Chepauk, 30th November 1860, No. 7,508 :—

SIR,

1 Letter from the District Engineer, Vizagapatam, No. 789, dated 29th October 1860.
1 Do. from Collector, No. 1,136, dated 31st October 1860.
1 Estimate.
1 Survey.

1. I have the honor to forward original letters as per margin, from the Collector and District Engineer, Vizagapatam, in the latter of which Captain Blgrave submits a Plan and Estimate amounting to Rupees 3,370 for improving the road between Vizagapatam and Vémulavalsa, being part of the road between Vizagapatam and Vizianagaram, and as it is represented to be a valuable line, and one of the most important in the District, and the only approach to Vizagapatam from the north, and as it is falling into an almost hopeless state of disrepair, I beg to recommend its entry in the Budget of 1861-62.

2. The maintenance allowance for this portion of road has hitherto been Rupees 750, being 50 Rupees a mile on 15 miles, but in my letter No. 7,302, dated 24th November 1860, I suggested an increase of Rupees 50 per mile, or Rupees 750 for the whole distance, but before that allowance can be beneficially applied, it appears absolutely necessary that an outlay as above recommended should be made upon it.

No. 162. ORDER THEREON, 12th December 1860, No. 2,557.

1. The Government sanction for entry in the Budget for 1861-62, the Estimate amounting to Rupees (3,370) three thousand three hundred and seventy submitted with this letter for improving the road between Vizagapatam and Vémulavalsa in the Vizagapatam District.

2. The increase of Rupees 750 to the maintenance allowance for this road referred to in paragraph 2, has been sanctioned in Proceedings of Government of the 3rd instant, No. 2,485. This sanction will be kept in abeyance pending the execution of the present Estimate of Rupees 3,370.

(Signed) J. D. SIM,
Acting Secretary to Government.

Sir,

I have the honor to forward original letters as per margin from the Collector and District Engineer Vizagapatam, in the latter of which Captain Blagrove submits a Plan and Estimate amounting to Rs 3370 for improving the road between Vizagapatam and Vamalaru, being part of the road between Vizagapatam and Viganagaram, and as it is represented to be a valuable line, and one of the most important in the District, and the only approach to Vizagapatam from the North, and as it is falling into an almost hopeless state of disrepair, I beg to recommend

Vamalaru

recommend its entry in the Budget of 1861/62

The maintenance allowance for this
portion of road has hitherto been Rupees 750, being
50 Rupees a mile on 15 miles, but in my letter No.
7302, dated 24th November 1860, I suggested an
increase of Rupees 50 per mile; or Rupees 750 for
the whole distance, but before that allowance can
be beneficially applied, it appears absolutely neces-
sary that an outlay as above recommended should
be made upon it.

25th

Central Office P.W. } I have the honor to be,
Chepauk } Sir,
