*Proceedings of the Madras Government, Public Works Department,
12th December 1860.*

No. 183. Read the following letter from Colonel ORFEUR CAVENAGH, Governor of Prince of Wales Island, Singapore and Malaca, to J. D. BOURDILLON, Esq., Secretary to the Government of Fort Saint George, dated Singapore, 17th November 1860, No. 26 :—

SIR,

I have the honor to acknowledge the receipt of your Despatch, No. 1,956, dated the 19th No. 1. September 1860, and beg to enclose a letter, No. 186, of the 15th instant, from the Officiating Chief Engineer, Straits Settlement, from which it will be perceived that the services of the remaining members of the subordinate establishment in his department, originally solicited, are no longer needed.

From Colonel C. E. FABER, Officiating Chief Engineer, Straits Settlements, to the Secretary to the Honorable the Governor, Straits Settlements, Singapore, dated Singapore, 15th November 1860, No. 186.

SIR,

In doing myself the honor to acknowledge your Office Memorandum, No. 633, General No. 1,427 of the 29th ultimo, with its enclosures from the Government of Fort Saint George, advising the entertainment of a Native Overseer at eighty Rupees (Rupees 80), of a Draughtsman at fifty Rupees (Rupees 50) and a Clerk at forty Rupees (Rupees 40) a month, and their intended despatch by the first sailing vessel on the berth for Singapore (the Brig "Teak" from Madras on the 6th October last, duly arrived here last week), I beg to report for the information and favorable consideration of the Honorable the Governor, Straits Settlements, that the delay on the one hand of obtaining qualified subordinates from Madras, and on the other, the good progress already made under the zealous superintendence of the Special Assistant Engineer at Tanglin, Lieutenant Palmer, H. M. 40th Regiment, M. N. I., with the professional Staff already available, render it inexpedient to draw further upon the departmental assistance of the Madras Government, and I therefore recommend that the original List be cancelled and no further steps taken to add Public Works Establishment at Tanglin.

No. 184. ORDER THEREON, 12th December 1860, No. 2,568.

Ordered that this letter and its enclosure be communicated to the Chief Engineer for his information and guidance.

(Signed) J. D. SIM,
Acting Secretary to Government.
