MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Proceedings of the Madras Government in the Public Works Department.

Read the following letter from the Chief Engineer, Chepauk, 22nd November 1860, No. 7267; to the Acting Secretary to Government.

1. In obedience to the Order of Government No. 1221, dated 11th June 1860, I have the honor to forward a Plan and Estimate, Rupees 2010, for constructing a Shed for Camp Equipage and Sick Carriage at Cocanada.

2. The design, though slightly varying from that proposed in the Acting Quarter Master General's letter No. 162, dated 15th May 1860, has received the approval of His Excellency the Commander-in-Chief, and a railing enclosing half the Shed, as requested in paragraph 2 of the Acting Deputy Quarter Master General's letter No. 2826, dated 18th October 1860, has been added since the Plan was seen by His Excellency.

3. The rates and other particulars of the Estimate have been carefully checked in this Office, and the sanction of Government is now solicited for the entry of the item in the Budget 1861-62, as there are no funds available from other sources.

4. The Camp Equipage, &c., will meanwhile be lodged in the temporary Sheds constructed under the authority conveyed in the Proceedings of Government, No. 1902, dated 10th September 1860.

ORDER THEREON, 26th November 1860, No. 2448.

Ordered to be referred to the Military Department, with reference to Proceedings in that Department, dated 29th May 1860, No. 1972.

(True Extract.)

(Signed) C. G. MASTER,
Dy. Secretary to Government.

Referred to the Commander-in-Chief, (Quarter Master General's Department) for consideration, whether the partition railing, as shewn in the Plan, will meet the purpose intended.

30th November 1860.

From the Acting Quarter Master General of the Army, Fort Saint George, 4th December 1860, No. 404; to the Secretary to Government, Military Department.

Adverting to the Order of Government No. 2448, dated 26th November 1860, Public Works Department, referred for the observations of the Commander-in-Chief on the 30th idem, I have the honor, by order of His Excellency to state, that instead of a railing, a mud-wall, with one or two plain (batten) windows and a door, carried up to the roof, would appear to be more suitable as a means of security against pilfering, from the Camp Equipage and Sick Carriage Shed at Cocanada.

2. The enclosures received with the Order of Government are returned.

ORDER, No. 4465, 10th December 1860.

1. Approved for entry in the Budget 1861-62.

2. The modification in the Plan as proposed in the foregoing letter from the Quarter Master General, being effected on the work being executed.

3. The Budget being about to be closed, the Estimate will be entered as submitted—leaving any revision necessary on the above account to be effected hereafter.
